

BAKER REPAIR SERVICES

INTERNATIONAL NETWORK OF APPROVED REPAIRERS & EXPERTS

Now you can feel confident that your customers' broken or damaged goods will be repaired by proven experts and craftsmen.

Our Rapid Response Team provides a full range of emergency callout services, 365 days per year.

- *Guaranteed*
All work is fully guaranteed.
- *Clear accountability*
We believe in job ownership and provide our customers a named point of contact for the entire process.
- *Job visibility*
Our entire supply chain is networked so suppliers can use our online job management system just as our own staff do, ensuring constant status awareness.
- *Expertise*
Our expertise includes antiques, fine arts, office equipment, electrical appliances and household goods. We also cover flooring, external walls, mould & mildew, flood restoration and asbestos collateral.

Baker Repair Services offer a dedicated, comprehensive repair management service that provides clients with a bespoke service to oversee the management of all repairs from beginning to end; partner service guarantees superior levels of service to ensure speed of excellence confidentiality and

discretion throughout the entire process.

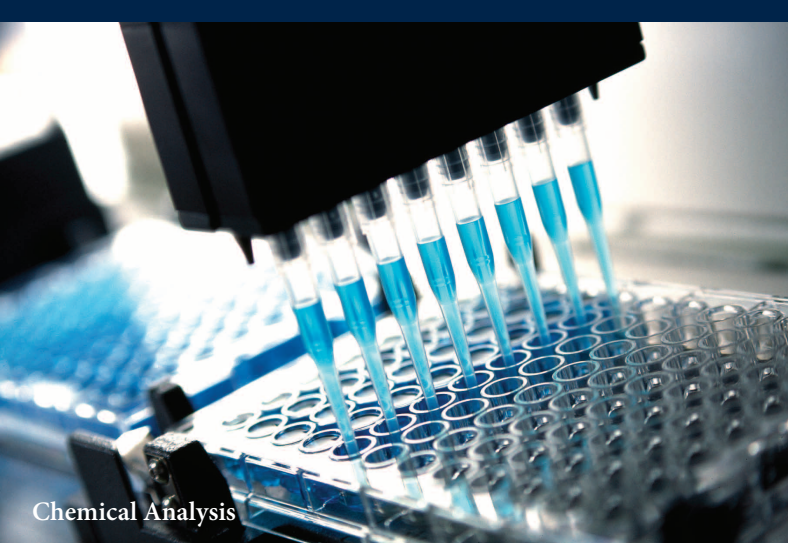

Our managed repair service has been approved by Lloyds Register Quality Assurance to follow Quality Management System Standards ISO 9001:2000
